008.0375	008.0376	008.0377	008.0485

In accordance with the declarations of our raw material suppliers and our test results the product corresponds to the following legal requirements and European Standards:

- The product compliant with EN ISO 10993-1
- The product and packaging materials containing printing ink meets TPCH (US Toxics in packaging Clearinghouse) requirements
- The product and all product packaging materials comply with US-CPSIA
- The product and all product packaging materials comply with CA Consumer Product Safety Act (CCPSA)

DESCRIPTION

Disposable Nursing Pads of slightly oval shape. Two strips of double sided tape are attached to the outer/non-skin contact surface of the pads. Each pad is individually enclosed in a heat-sealed wrapper.

Disposable nursing pad is a specialized brassiere that provides additional support to women who are lactating and permits comfortable breastfeeding without the need to remove the bra, a unique breathable waterproof layer keeps clothing protected.
